**4. PRESENTATIONS**

Future presentations:

- Dr. Mary Stockdale from Vernon's Climate Action Now will speak at the April 10 Task Force meeting.
- Andrew Gage from Sue Big Oil is available to speak at an April or May meeting.

**5. UNFINISHED BUSINESS**

5.1 Climate Action Plan Development Process/Tentative Workplan

**PCSR-24/03/27-003**

**Moved By** Ethel Johnston

THAT the Committee receive the revised Climate Action Plan Development Process Work Plan for information.

**CARRIED**

5.2 Resilience Strategy Outline

Discussion ensued related to:

- identifying purpose of the strategy - current realities, identify risks, propose actionable goals for building resilient communities
- overarching goal of creating a community prepared to face climate-related risks through mitigation, adaptation and resiliency measures
- collaborate on data gathering and ensure readiness for public consultation
- work towards having a draft ready for April 24 meeting

5.3 Climate Mitigation Plan

Section II: Greenhouse Gas Emissions was discussed. Local Government Climate Action Plan (LGCAP) and Community Energy and Emissions Plan (CEEP) will be good sources of data.

5.4 Climate Data

Discussion was included in other topics.

5.5 Compressed Work Plan

No further changes were made.

6. **NEW BUSINESS**

6.1 **Draft Engagement Plan**

Discussion ensued with regard to:

- the desired level of engagement, creative and effective ways to engage, importance of making it easy
- engaging with stakeholder groups to leverage their networks for broader outreach
- using the Task Force's webpage for posting information

**PCSR-24/03/27-004**

**Moved By** Gail Karish

THAT the Committee receive the Draft Engagement Plan for information.

**CARRIED**

6.2 **Information Dissemination Methods**

The Task Force discussed various ways to get information to the public and District staff.

7. **ADJOURNMENT**

The March 27, 2024 Peachland Climate Sustainability and Resiliency Task Force meeting was adjourned at 4:45 PM.
